### LinkedIn Career Kick starter Program on 05/06/2024 & 06/06/2024

Shree Venkateshwara Corporate Placement and Industrial Relations organized the "LinkedIn Career Kick starter Program" in collaboration with the Tamilnadu Skill Development Corporation for final-year and pre-final-year students on 05/06/2024 to 06/06/2024. Such initiatives are indeed essential in preparing students for their future careers.

The workshop focused on LinkedIn profile building and how to use it effectively. LinkedIn is a powerful platform for professional networking and job searching, so providing students with guidance on creating and maintaining a strong LinkedIn presence can be incredibly beneficial.

By teaching students how to optimize their LinkedIn profiles, you're helping them showcase their skills and experiences to potential employers, expand their professional networks, and stay updated on industry trends and opportunities. These skills are valuable for students as they transition into the job market or pursue further education.

Overall, programs like these play a crucial role in bridging the gap between academic knowledge and practical skills, ultimately equipping students with the tools they need to succeed in their future careers.
