The college instills professionalism, critical thinking, and technical expertise, preparing students for dynamic career opportunities. The adopting of a holistic approach, it strives not only to cultivate successful graduates but also to nurture well-rounded individuals with strong ethical values.

**ABOUT THE DEPARTMENT**

The Department of Computer Applications providing high-quality education in computer science and its various applications. Our objective is to prepare students for successful careers in the rapidly evolving technology sector through a combination of theoretical knowledge and practical skills.

**Courses Offered:**

**Bachelor of Computer Applications (BCA)**  
**Bachelor of Science in Information Technology (B. Sc IT)**  
**Bachelor of Science in Cyber Security (B. Sc Cyber Security)**

**Vision**

To be a leading center of excellence in computer science education and research, fostering innovation and producing highly skilled professionals who will drive technological advancements and contribute to the betterment of society.

**Mission**

Quality Education  
 Research and Innovation  
 Industry Collaboration  
 Holistic Development  
 Global Competence

**MESSAGE FROM PRINCIPAL****Dr. A. MOHANASUNDARAM**  
**Principal**

The Academic Year 2025-2026 is an important year for the Department of Computer Applications because, all the three courses BCA, B. Sc Cs with Cyber Security and B. Sc Information Technology courses attained its full strength. The very first batch of B. Sc (IT) and B. Sc Cyber Security courses are going out this year.

This year also they have conducted Inter Collegiate Competition in a grand manner with good strength of outside participants. Student involvement in making short film and participating in cultural as well as academic activities are highly appreciable, in which a few students earned good name by won some competitions in nearby colleges. Faculty members are also concentrated to develop student's skill along with their subject knowledge.

My whole hearted wishes for their further growth and Development.

Good luck.

**LAB FACILITIES**

The Department of Computer Applications at Shree Venkateshwara College of Arts and Science is equipped with state-of-the-art laboratories designed to provide hands-on experience and practical exposure to students. Our lab facilities are tailored to meet the dynamic needs of the IT industry, ensuring students gain proficiency in cutting-edge technologies.
